Gates of Repentance: Page 141

Joseph Goldstein (Vienna, 1862)  
arranged by Mary Feinsinger

*Our God...May You rule in glory over all the earth, and let Your grandeur be acclaimed throughout the world. Reveal the splendor of Your majesty to all who dwell on earth, that all Your works may know You as their Maker, and all the living acknowledge You as their Creator. Then all who breathe shall say: 'The Lord God of Israel is the King whose dominion extends to all creation.'*
